Triplt Pro

Get Triplt Pro – Discounted to \$39 a year

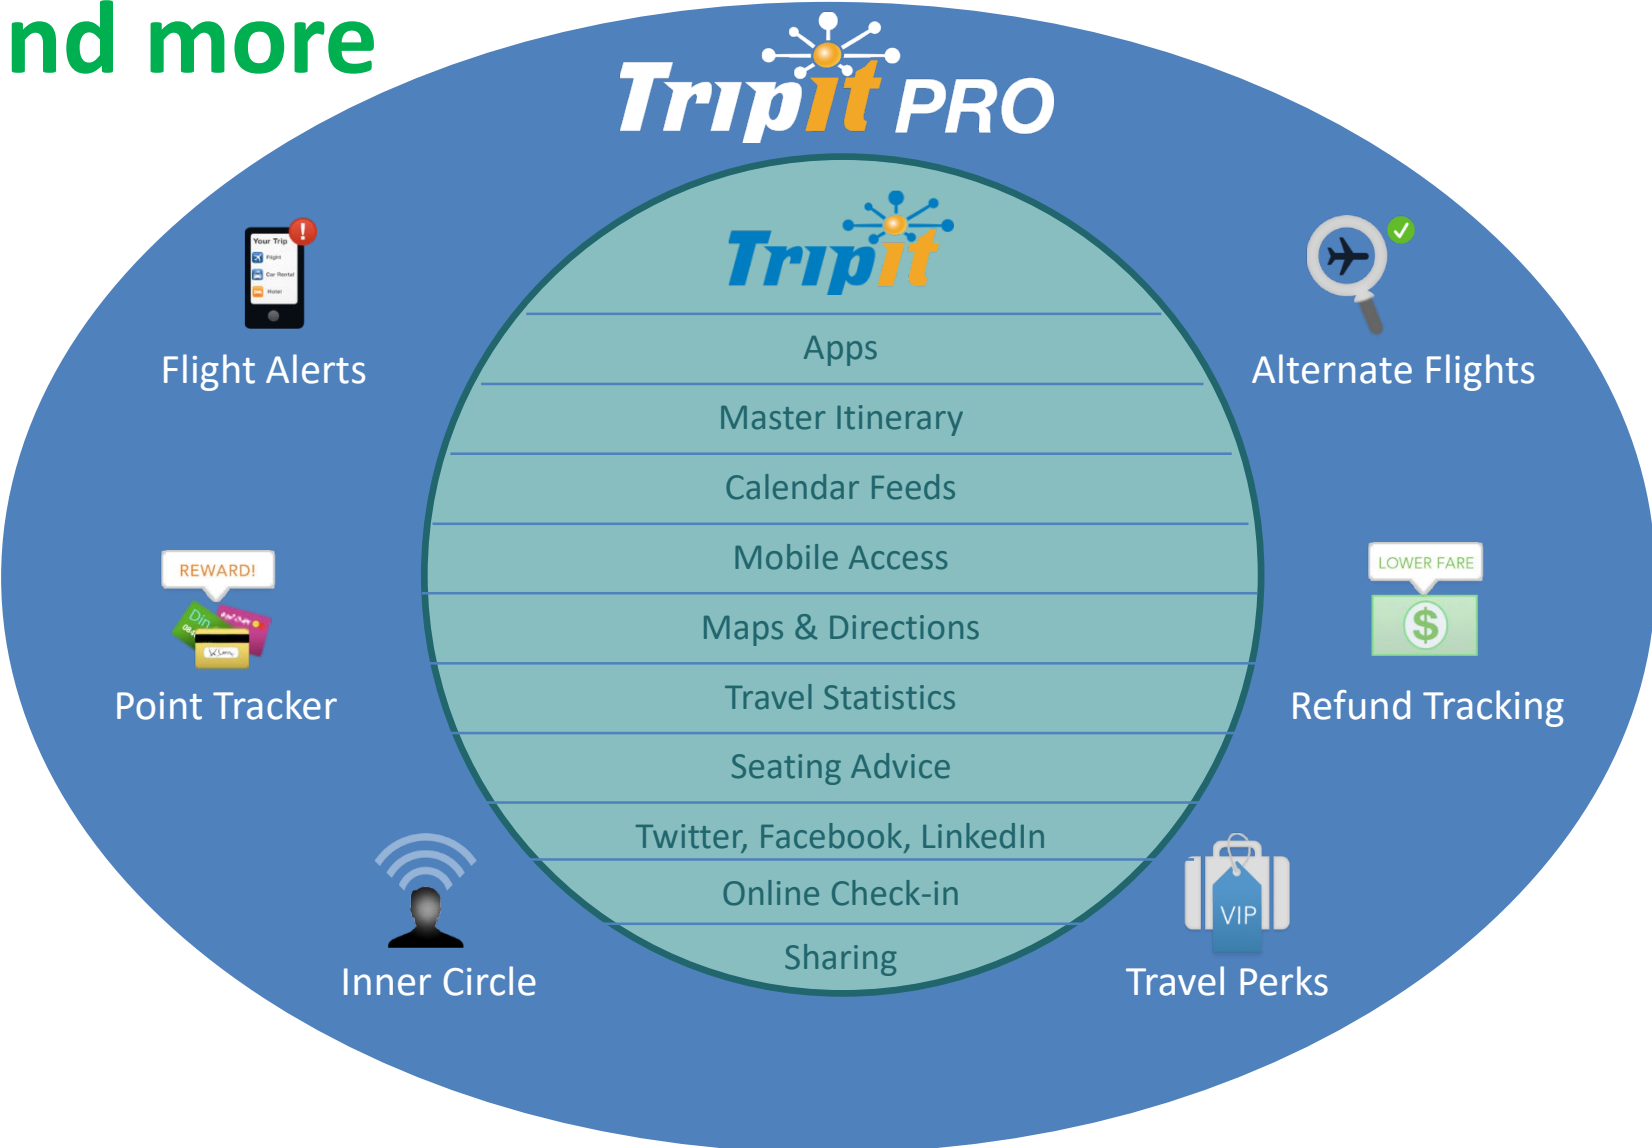

Triplt is a free app, powered by Concur, that aggregates all of your travel plans into one itinerary, no matter where you book your reservations. For example, if you book your flight through Concur and your hotel through a conference event portal – both plans will be combined into one Triplt itinerary.

To get started, you must first create an MSU Triplt account. You can do this two ways:

1. Log into [MSU's Concur site](#), select "Connect to Triplt" in the Travel Alert section on the homepage, and following the sign up prompts.
2. Log into [MSU's Concur site](#), select "My Profile" and then select "Connected Apps" and follow the sign up prompts.

Triplt – Itinerary Management and more

Tript Love

Kunal Pandya

@Kunal_Pandya

So **@TripIt** tells me my flight is delayed long before **@British_Airways** even realise it.

Elizabeth Smith

@travelwinechick

@TripIt I totally can't live without TripitPro, especially the check in reminders and flight alerts.

Geo-Blue

GeoBlue Mobile App

The [GeoBlue mobile app](#) allows international travelers convenient access to local doctors, hospitals, and resources anywhere in the world.

Here are a few features of the GeoBlue mobile app:

Search providers for medical, dental, or mental health care

Arrange direct billing for future appointments to secure cashless access to care

Find a medication's availability, generic name, and local brand name

Translate medical terms and symptoms, and use the audio feature to play the translation

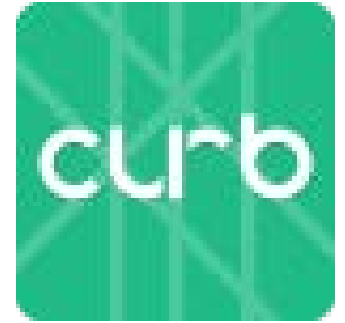

Display your MSU GeoBlue ID Card on a smart phone

MSU's GeoBlue Group Access Code: QHG9999MSUBT

For more information about the GeoBlue mobile application, go to: www.geo-blue.com/mobileapp
